

Specialty Valve and Option Warranty

30 YEAR WARRANTY

Applies to EV400 (3 Way Valve) Only In
Natural Gas Installations in the City of Los Angeles

3 YEAR WARRANTY / 1 YEAR WARRANTY

Applies to EV400 (3 Way Valve), ES510 (Electrical Switch),
RA501 (Remote Actuator) & MS (Monitoring Switch)
US and Canada / International

Pacific Seismic Products, Inc. warrants the following products [EV400 (3 Way Valve)] to be free from manufacturing defects for a 30 year period (Natural Gas Installations in the City of Los Angeles) after the original date of consumer purchase, provided it is installed and maintained as described in the installation and maintenance instructions. This warranty does not include damage to the products resulting from accident or misuse.

Pacific Seismic Products, Inc. also warrants the following products [EV400 (3 Way Valve), ES510 (Electrical Switch), RA501 (Remote Actuator) & MS (Monitoring Switch)] to be free from manufacturing defects for a 3 year period (US and Canada) or a 1 year period (International) after the original date of consumer purchase, provided it is installed and maintained as described in the installation and maintenance instructions. This warranty does not include damage to the products resulting from accident or misuse.

If the product should become defective within the warranty period, we will elect to repair or replace it free of charge, provided it is returned prepaid to the factory. Any questions regarding warranty service can be directed to:
